

*'Delivering High Quality care One Patient at a Time'*

## Pediatric Quality Measures

IHP is pleased to share that our pediatric representation has grown this year and Horizon is including pediatric patients in our attributed lives population for the shared savings program.

A committee of representatives from our pediatric practices was formed to develop internal quality measures for 2018 since pediatric measures are not formally included in this year's Horizon shared savings program. These will be used as part of the distribution formula described below.

Measure	Data Source	Population	Goal
ADHD: Follow-Up Care for Children Prescribed ADHD Medication	Claims	Horizon	62.42%
Weight Assessment & Counseling for Nutrition & Physical Activity for Children & Adolescents	Claims	Horizon	46.00%
Appropriate Treatment for Children with Upper Respiratory Infection	EMR	All Payer	55.00%
Preventive Care and Screening: Influenza Immunization	EMR	All Payer	85.00%

## Horizon Alliance Shared Savings Distribution Formula

The IHP Finance Committee has proposed a distribution formula for 2018 for the Horizon Alliance Shared Savings Program that has been approved by the Board. Components are as follows:

- Eligible funds will be prorated to primary care practices based on attributed lives
- Quality and citizenship measure performance will condition the payments to the practices, with any dollars not earned used for future distribution pools
  - Quality measures condition 75% of the payment
  - Citizenship measures condition 25% of the payment
- Adult Program: Credit for quality is based on proration of number of metrics met at Horizon's 50<sup>th</sup> percentile (for example: 4 of 7 metrics = 57% credit)
- Pediatric Program: Credit for quality is based on proration of number of metrics met at established internal target (for example: 3 of 4 metrics = 75% credit)

Please see attached for an illustrative example of payment calculations for two practice scenarios.

## Finance Committee Names New Chair

With the appointment of Dr. Robert Ocasio as Chairman of the Board of IHP, he has stepped down as Chairman of the Finance Committee.

The Finance Committee has appointed Dr. Greg Breen as its new Chairman. Welcome!

# HORIZON ALLIANCE SHARED SAVINGS PROGRAM

## DISTRIBUTION FORMULA EXAMPLE

Assumptions	\$50,000 Physician Pool 10,000 Total Attributed Lives Quality Measures Condition 75% of Payment Citizenship Measures Condition 25% of Payment	
	Practice A	Practice B
Step 1: Attributed Lives Distribution	5,000 lives 50% lives	2,500 lives 25% lives
Step 2: Eligible Total Payout Based on Attribution	$\$50,000 \times 50\% =$ \$25,000 Eligible Payout	$\$50,000 \times 25\% =$ \$12,500 Eligible Payout
Step 3: Quality Measure Performance (75% of Payment)	$\$25,000 \times 75\% =$ \$18,750 Eligible Quality Dollars 6 of 7 Quality Measures 85.7% Quality Achievement $\$18,750 \times 85.7\% =$ \$16,069 Earned Quality Dollars	$\$12,500 \times 75\% =$ \$9,375 Eligible Quality Dollars 7 of 7 Quality Measures 100% Quality Achievement $\$9,375 \times 100\% =$ \$9,375 Earned Quality Dollars
Step 4: Citizenship Measure Performance (25% of Payment)	$\$25,000 \times 25\% =$ \$6,250 Eligible Citizenship Dollars 2 of 2 Citizenship Measures 100% Citizenship Achievement $\$6,250 \times 100\% =$ \$6,250 Earned Citizenship Dollars	$\$12,500 \times 25\% =$ \$3,125 Eligible Citizenship Dollars 1 of 2 Citizenship Measures 50% Citizenship Achievement $\$3,125 \times 50\% =$ \$1,563 Earned Citizenship Dollars
Step 5: Earned Total Payout	$\$16,069 (Q) + \$6,250 (C) =$ \$22,319 Earned Payout	$\$9,375 (Q) + \$1,563 (C) =$ \$10,938 Earned Payout
