

'Delivering High Quality Care One Patient at a Time'

Aetna Shared Savings Program Begins

The agreement with Aetna has been signed for IHP primary care practices to join Aetna’s shared savings program for 2019. Our practices are improving care coordination efforts and the aim is to benefit from as many payers as possible!

The Aetna model compares the IHP member cost trend to the market member cost trend in order to calculate the earned incentive, which is multiplied by the quality performance score to determine the paid incentive. The quality metrics included in the program are below. These were selected by the Clinical Consensus Committee and approved by the Board. The physician distribution formula will be proposed by the Finance Committee to the Board in coming months.

Metric	Goal	Weight
Colorectal Cancer Screening	>= 68.1%	12.5%
Breast Cancer Screening	>= 76.0%	12.5%
Diabetes Eye Exam	>= 52.4%	12.5%
Diabetes Hemoglobin A1c Testing	>= 90.9%	12.5%
Diabetes Medical Attention for Nephropathy	>= 92.0%	12.5%
Diabetes Hemoglobin A1c Poor Control (>9%)	<= 25.0%	6.25%
Diabetes Hemoglobin A1c Control (<8%)	>= 65.9%	6.25%
Adult BMI Assessment	>= 91.1%	12.5%
Controlling High Blood Pressure	>= 72.0%	12.5%

The IHP team will be conducting a kick off meeting with Aetna on May 29. We’ll begin circulating information to practices as we receive it. Stay tuned!

Welcome New Practices!

It has been a year since I’ve formally announced new members of Inspira Health Partners via this newsletter. I would like to recognize the following practices who have onboarded since April 2018:

Advanced Orthopaedics (Woodbury, Mullica Hill)	2 Specialists
Axia Women’s Health—Luciano Bispo Care Center (Vineland)	2 Specialists
Axia Women’s Health—Premier Women’s Health of SJ (Mullica Hill, Elmer, Woodbury, Woolwich)	7 Specialists
DiMarino Kroop Prieto Gastrointestinal Associates (Woodbury)	10 Specialists
Edward Lundy (Gloucester City)	1 PCP
Elmer Family Practice (Elmer)	2 PCPs
First Step Pediatrics (Bridgeton, Elmer)	2 PCPs
Ophthalmic Associates (Vineland)	1 Specialist
South Main Medical Associates (Vineland)	1 PCP
